

## NOTICE OF DECISION UNDER REGULATION 32 FILM POSTERS

### SLICK

TO: The Film and Video Labelling Body Inc.  
PO Box 2627  
AUCKLAND

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Angel Perverse 8

is **Not Approved.**

The DVD slick is not approved because it contains extremely degrading, dehumanising and demeaning representations of women. The back cover of the slick contains 29 posed and explicit images of women engaged in sexual activity. Most of the prominent images highly degrade and demean the models and women generally by presented them as a collection of mere sexual orifices. The images are designed to be sexually arousing for male viewers of the slick.

The Classification Office has weighed the competing considerations of the issues raised above and the rights to freedom of expression set out in s14 of the New Zealand Bill of Rights Act 1990. The degrading and demeaning nature of the slick's images makes it likely that, if the slick were to be submitted under s13(1) of the Films, Videos, and Publications Classification Act 1993, it would be classified as objectionable. The slick is therefore not approved. Such a limitation on the right to freedom of expression is justified in order to prevent likely injury to the public good. The likely injury arises from the availability, to a predominantly male audience, of advertising material that reinforces negative attitudes towards women.
